REYES Y REGENTES DE ESPAÑA

La colección de Reyes de España, como jefe de las fuerzas armadas, es el complemento de las figuras con uniformes españoles.

La serie se ha completado con los tres últimos Regentes, Dña. María Cristina durante la minoría de edad de Alfonso XIII, Francisco Franco desde que España pasó a ser reino en 1947, y Dña. Sofía durante los viajes al extranjero de S.M. Juan Carlos I.

Conviene hacer las observaciones de que la figura de Isabel II corresponde a los últimos años de su reinado, la de Francisco Franco a 1950 y la de los actuales monarcas a sus primeros retratos oficiales.

El resto está obtenido de un cuidadoso estudio de su iconografía, tanto de cuadros como de monumentos funerarios.
