ALEXANDER

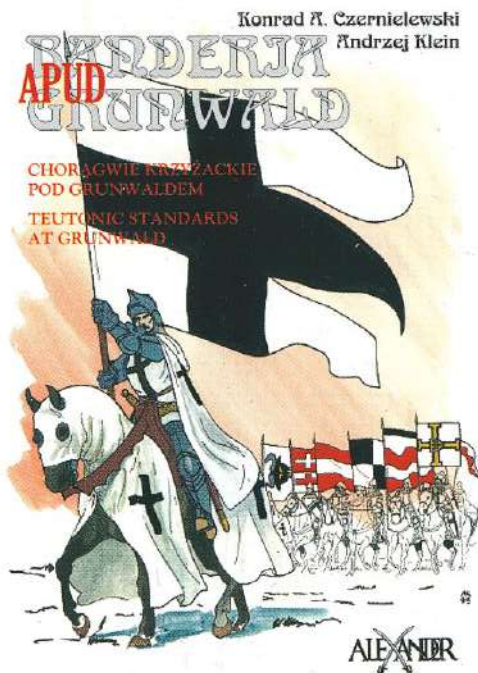

W książkach zaprezentowano znaki bojowe wystawione w bitwie Grunwaldzkiej oraz umundurowanie rycerstwa z ówczesnego okresu. Część pierwsza obejmuje chorążych Królestwa Polskiego i Litwy, część druga – Krzyżaków i rycerstwo z nimi sprzymierzone.

Każdy z tomów zawiera około 50 kolorowych ilustracji przedstawiających oddziały oraz tekst opisujący udział poszczególnych chorągwi w bitwie. Ilustracje powstały w wyniku konsultacji z czołowymi polskimi specjalistami, zajmującymi się bitwą pod Grunwaldem. Położono duży nacisk na przedstawienie szczegółów umundurowania i znaków bojowych zgodnie z najświeższymi odkryciami nauki.

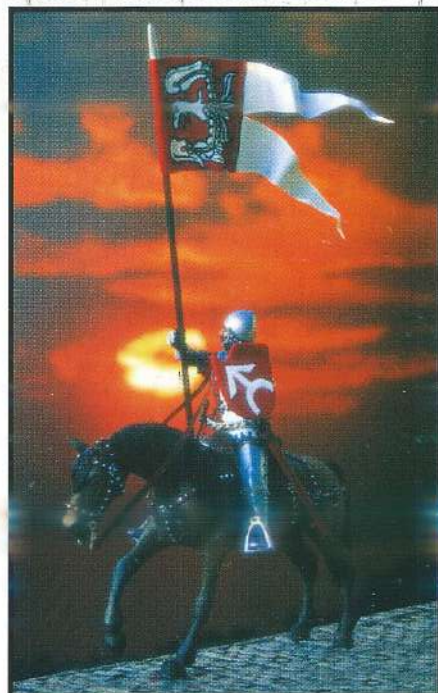

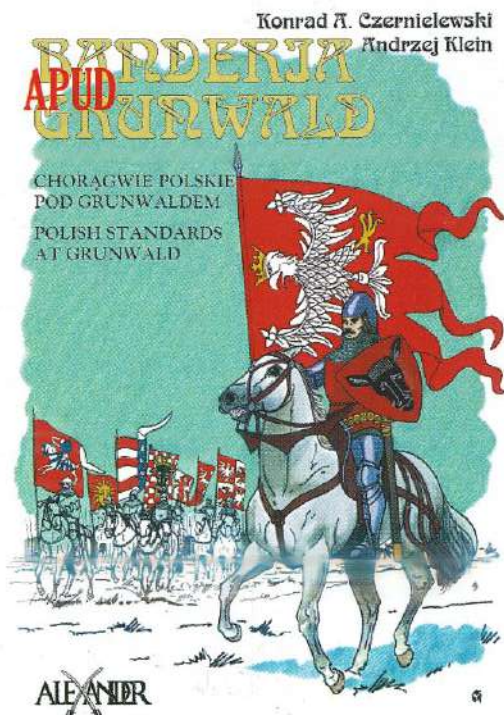

Books describe standards at Grunwald battle and knight uniforms of that period. The first part presents Polish and Lithuanian standard-bearers, the second one – Teutonic Knights and their allies.

Both parts contain about 50 colour pictures of squads and text describing its participation in battle. Pictures were made after consultations with outstanding Polish specialists of Grunwald battle. Authors have laid stress on presenting of details of uniforms and standards in compliance with the latest discoveries of science.
