*54mm Model Soldiers
for Collectors*

In this catalogue we show our range of 54mm figures – the size being the approximate height of figures without the headdress—depicting in accurate detail the armies of the past. The great leaders and the common soldiers alike, all have been designed after much meticulous research into the uniforms and weapons, and created by some of this country's leading craftsmen.

All the figures shown in this catalogue are made of white metal and are available in kit form (they can also be supplied fully hand-painted) to enable you to make an authentic model, evocative of the military glory and romance of a bygone age.

The kits can be easily assembled with epoxy resin adhesive after first removing any seams from the casting with a small file or craft knife. Before painting, the assembled model should be undercoated – a matt finish white paint is ideal. The figure can be painted with any of the proprietary brands of model paint, PVA-based or oil paints, according to your preference.

Please see the separate price list for the prices and ordering details. Please note that the following two-figure kits – TG5401, TG5402, TG5403, AC5E, AC10A/B, ACL1J and T54389/390 – are the price of two foot figures. Kits TG5404, AC5K and M5409 are the price of mounted figures. TG5405 and TG5406 are the price of a mounted figure plus a foot figure.

90mm and 110mm FIGURES

White metal figures in a larger scale. Ideal for individual presentation, although a number of two and three figures groups are included in this range. All figures are available either in kit form or fully hand painted.

Illustrated full colour catalogue available.

TOY STYLE MODEL SOLDIERS

Reminiscent of the toy soldiers of a bygone era, our figures are cast in white metal and meticulously hand painted in gloss enamels. Although the majority of figures are available as boxed sets we also make a number of individual figures. A wide variety of subjects are covered in this range. The entire range is also available individually packaged in unpainted kit form.

Illustrated full colour catalogue available.

Back cover:
