Conditions de Vente.

Les marchandises sont vendues prises en magasin et payables dans Paris; mes traites n'opèrent aucune dérogation à cette clause attributive de juridiction.

Il n'est jamais facturé d'emballage pour les expéditions faites en France. Les prix de grosse, douzaine et cent du présent Tarif ne sont appliqués que pour les quantités minimum de $\frac{1}{2}$ grosse, $\frac{1}{2}$ douzaine ou cinquante.

Les chiffres, les attelles et les articles faits sur commande ne sont jamais repris; ceux de vente courante qui ne sont pas retournés en très bon état subissent un rabais minimum de 10% pour le repolissage et paquetage.

Tous les produits portant ma Marque sont vendus avec garantie contre tout vice de fabrication; toutefois ma responsabilité ne peut, dans aucun cas ou pour quelque cause que ce soit, outrepasser le remplacement ou la reprise des pièces défectueuses.

Tous les retours ou envois de marchandises doivent être adressés franco à domicile.

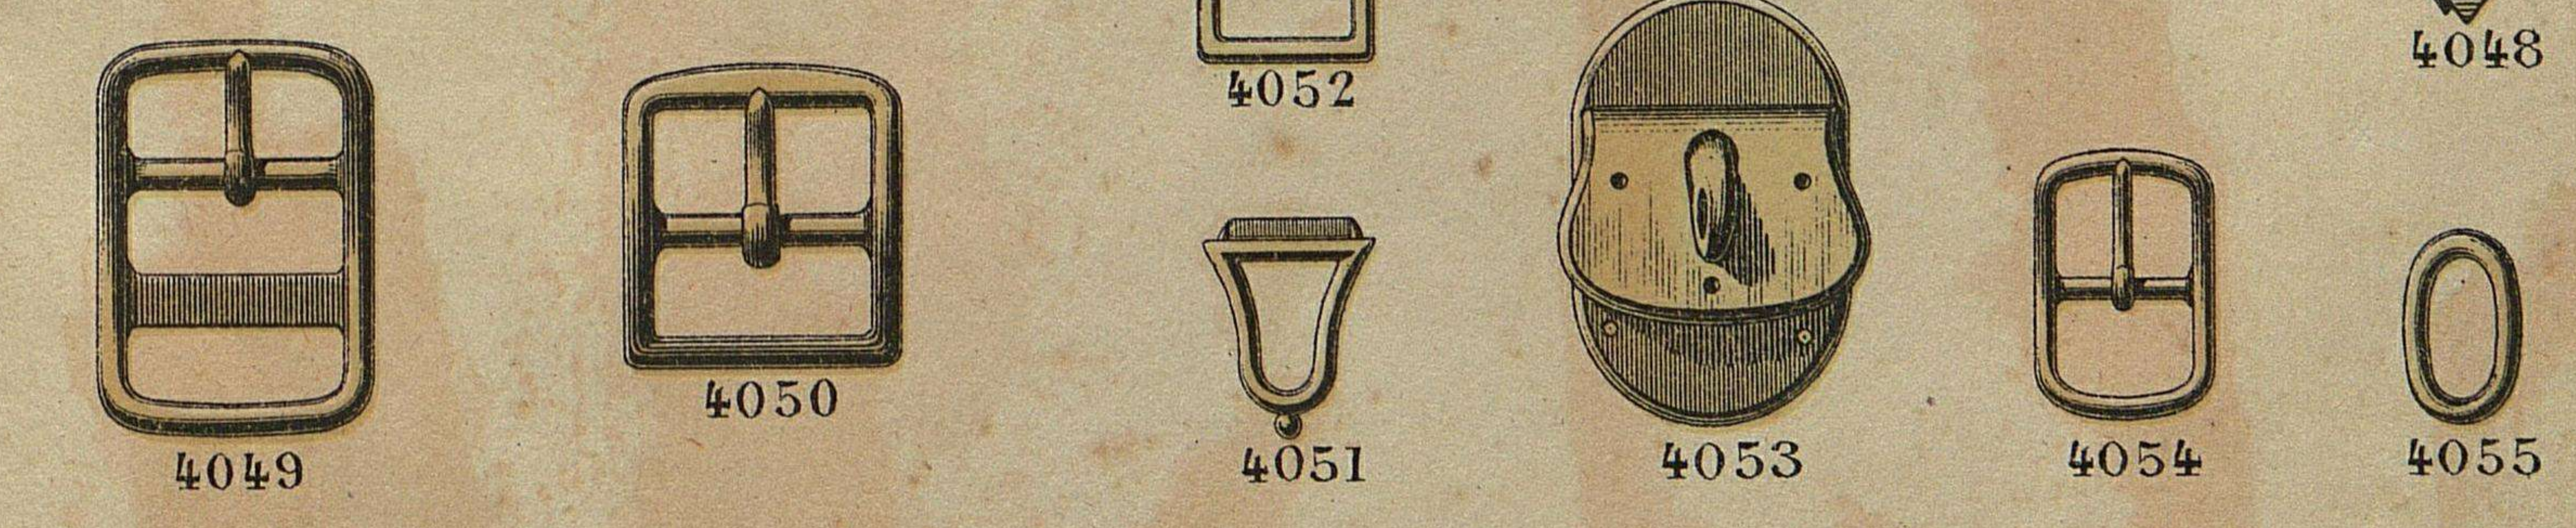

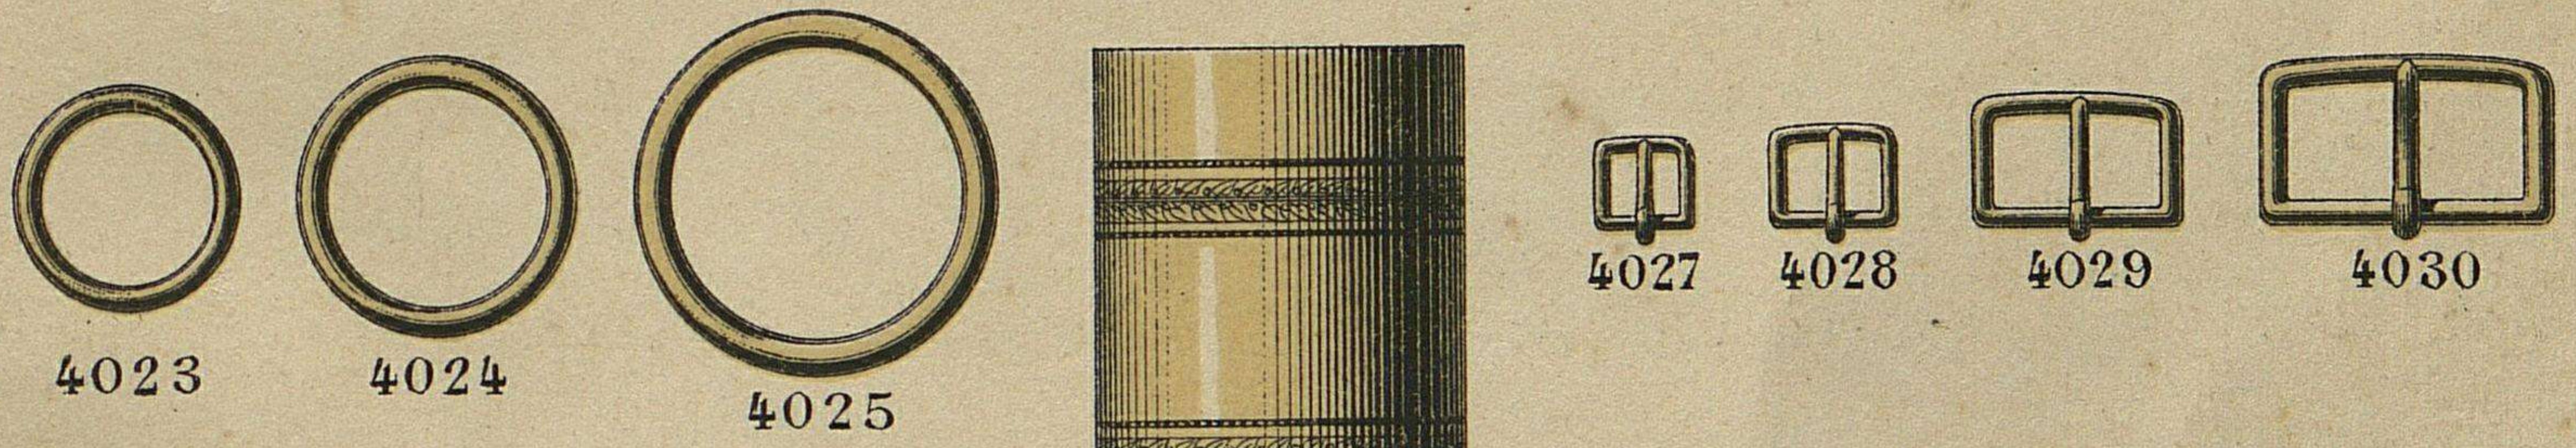

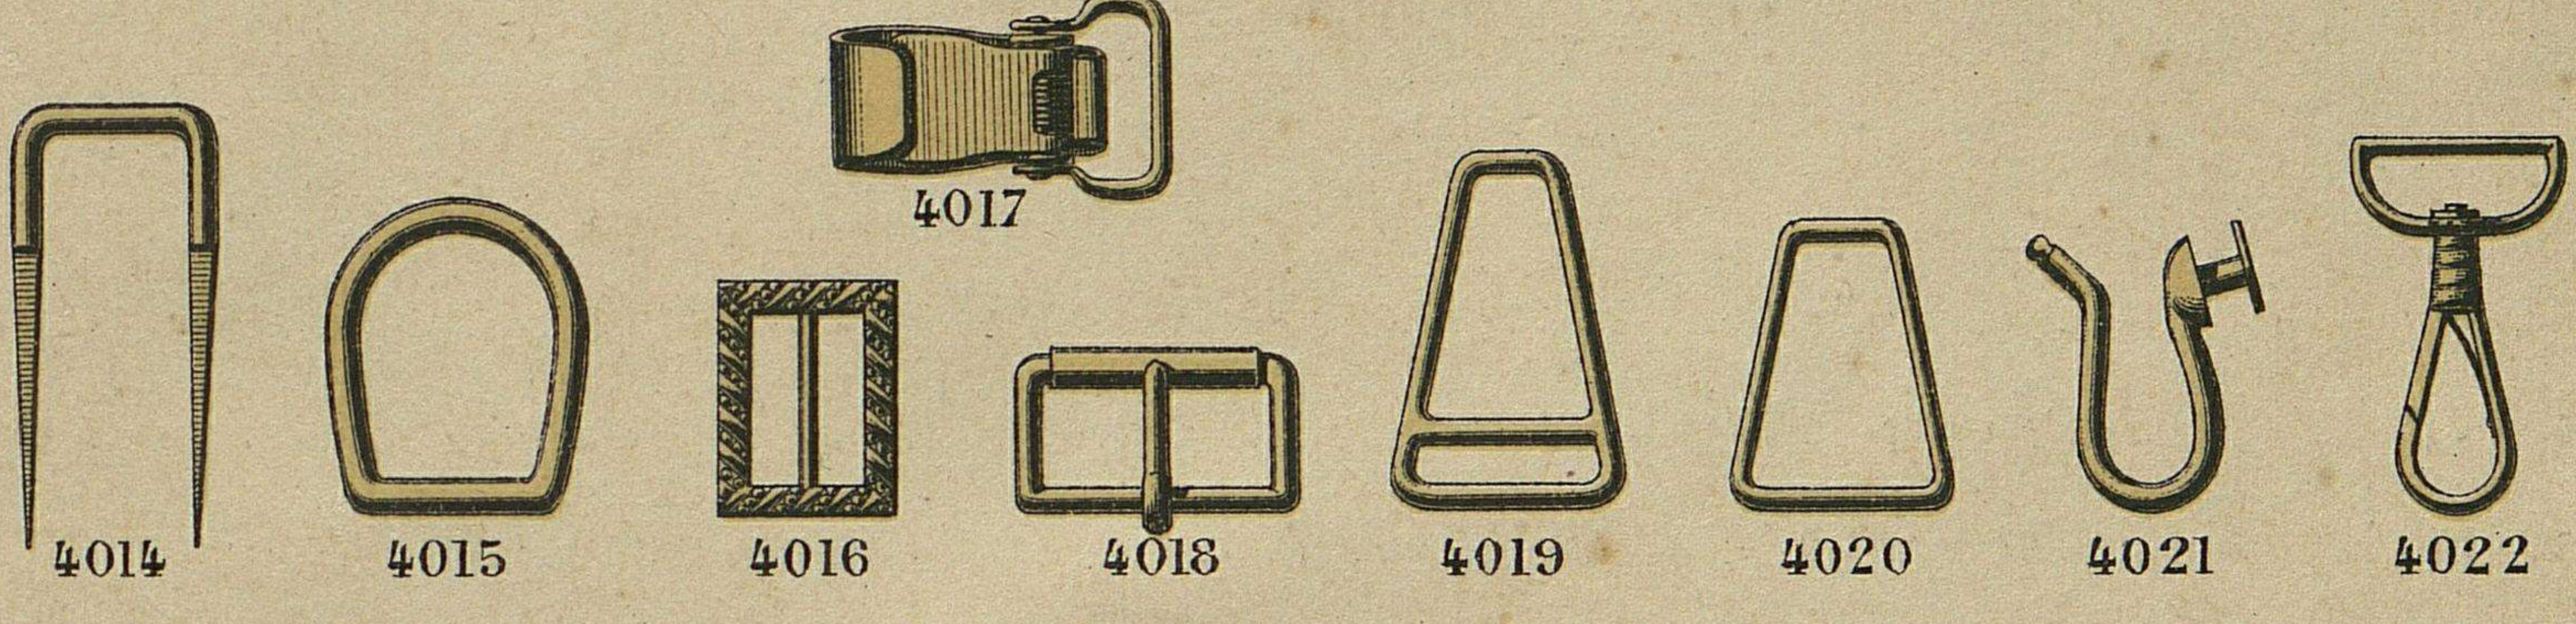

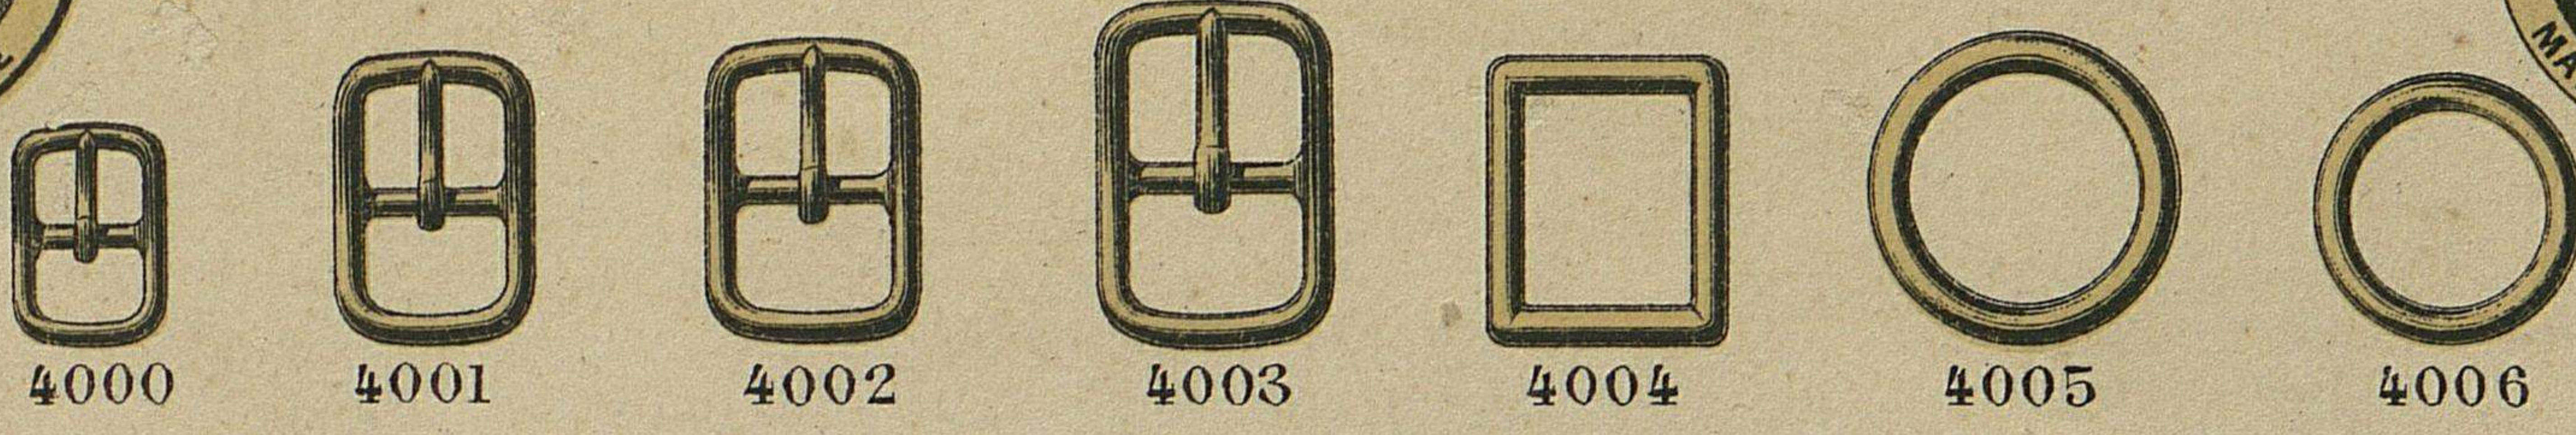

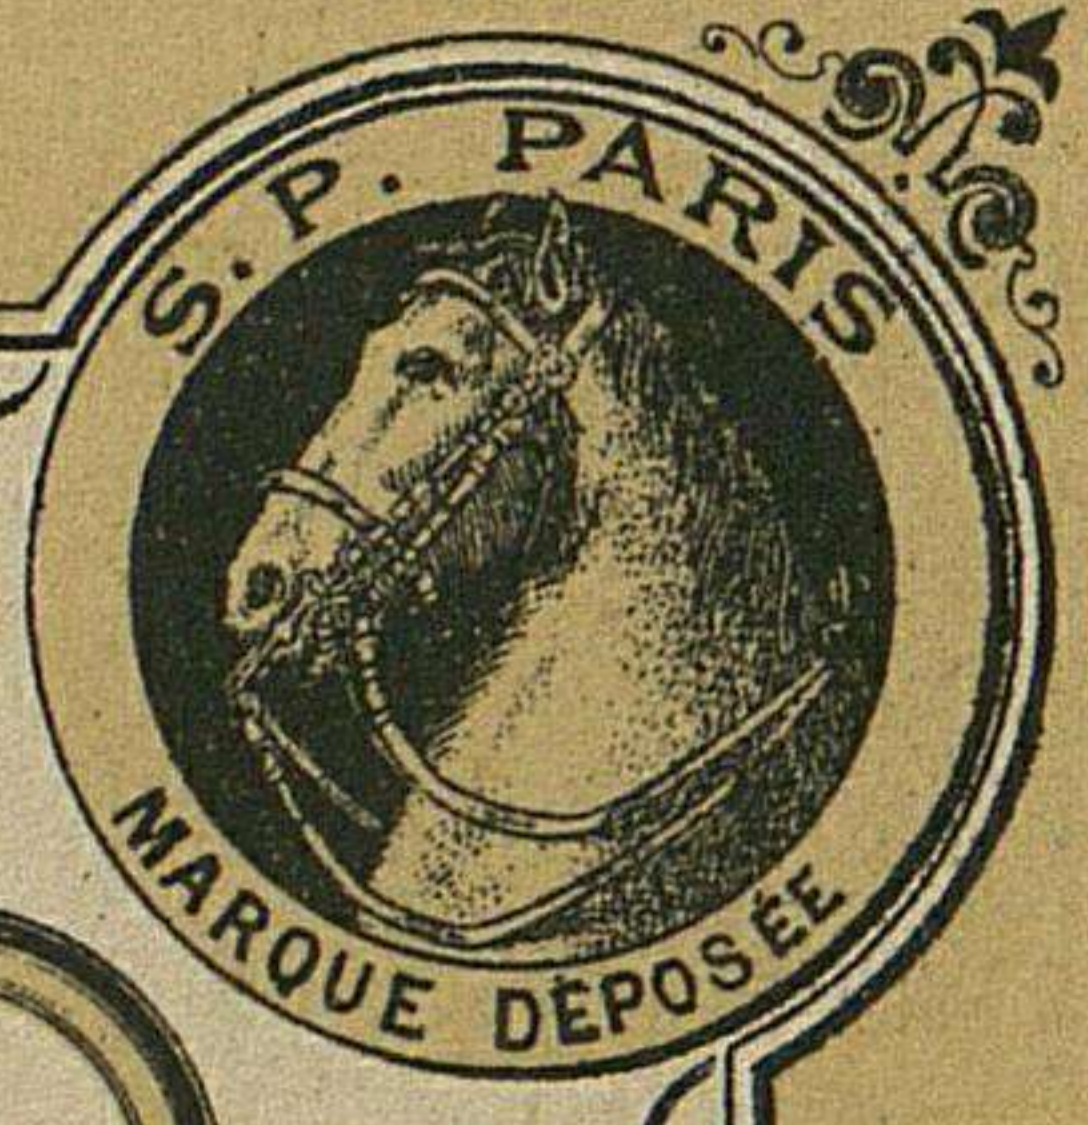

Toute réclamation doit être faite dans les 8 jours qui suivent la réception de la marchandise

Le Similor vaut 15% de plus que le métal blanc
Le Métal blanc désigné sous le nom de Nickel est de première qualité.

Nota - Il existe encore beaucoup de modèles qui ne sont pas représentés sur cet Album.

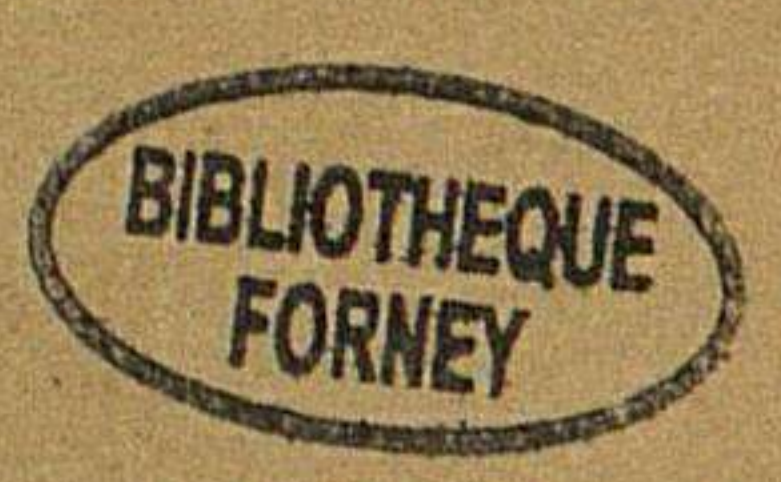

La Maison se charge de créer tous les modèles possibles suivant la demande des clients.

MORS POUR DONNER DE LA MÉDECINE

AUX CHEVAUX & AUX BESTIAUX

Ce Mors est très bien fait, la Corde et la Courroie étant ÉPAISSES et FORTES, et toutes les parties en métal sont bien nickelées (ou étamées), pour empêcher la rouille.

Utile et nécessaire dans toutes les Écuries, aucun Établissement Vétérinaire n'est complet sans cet article.

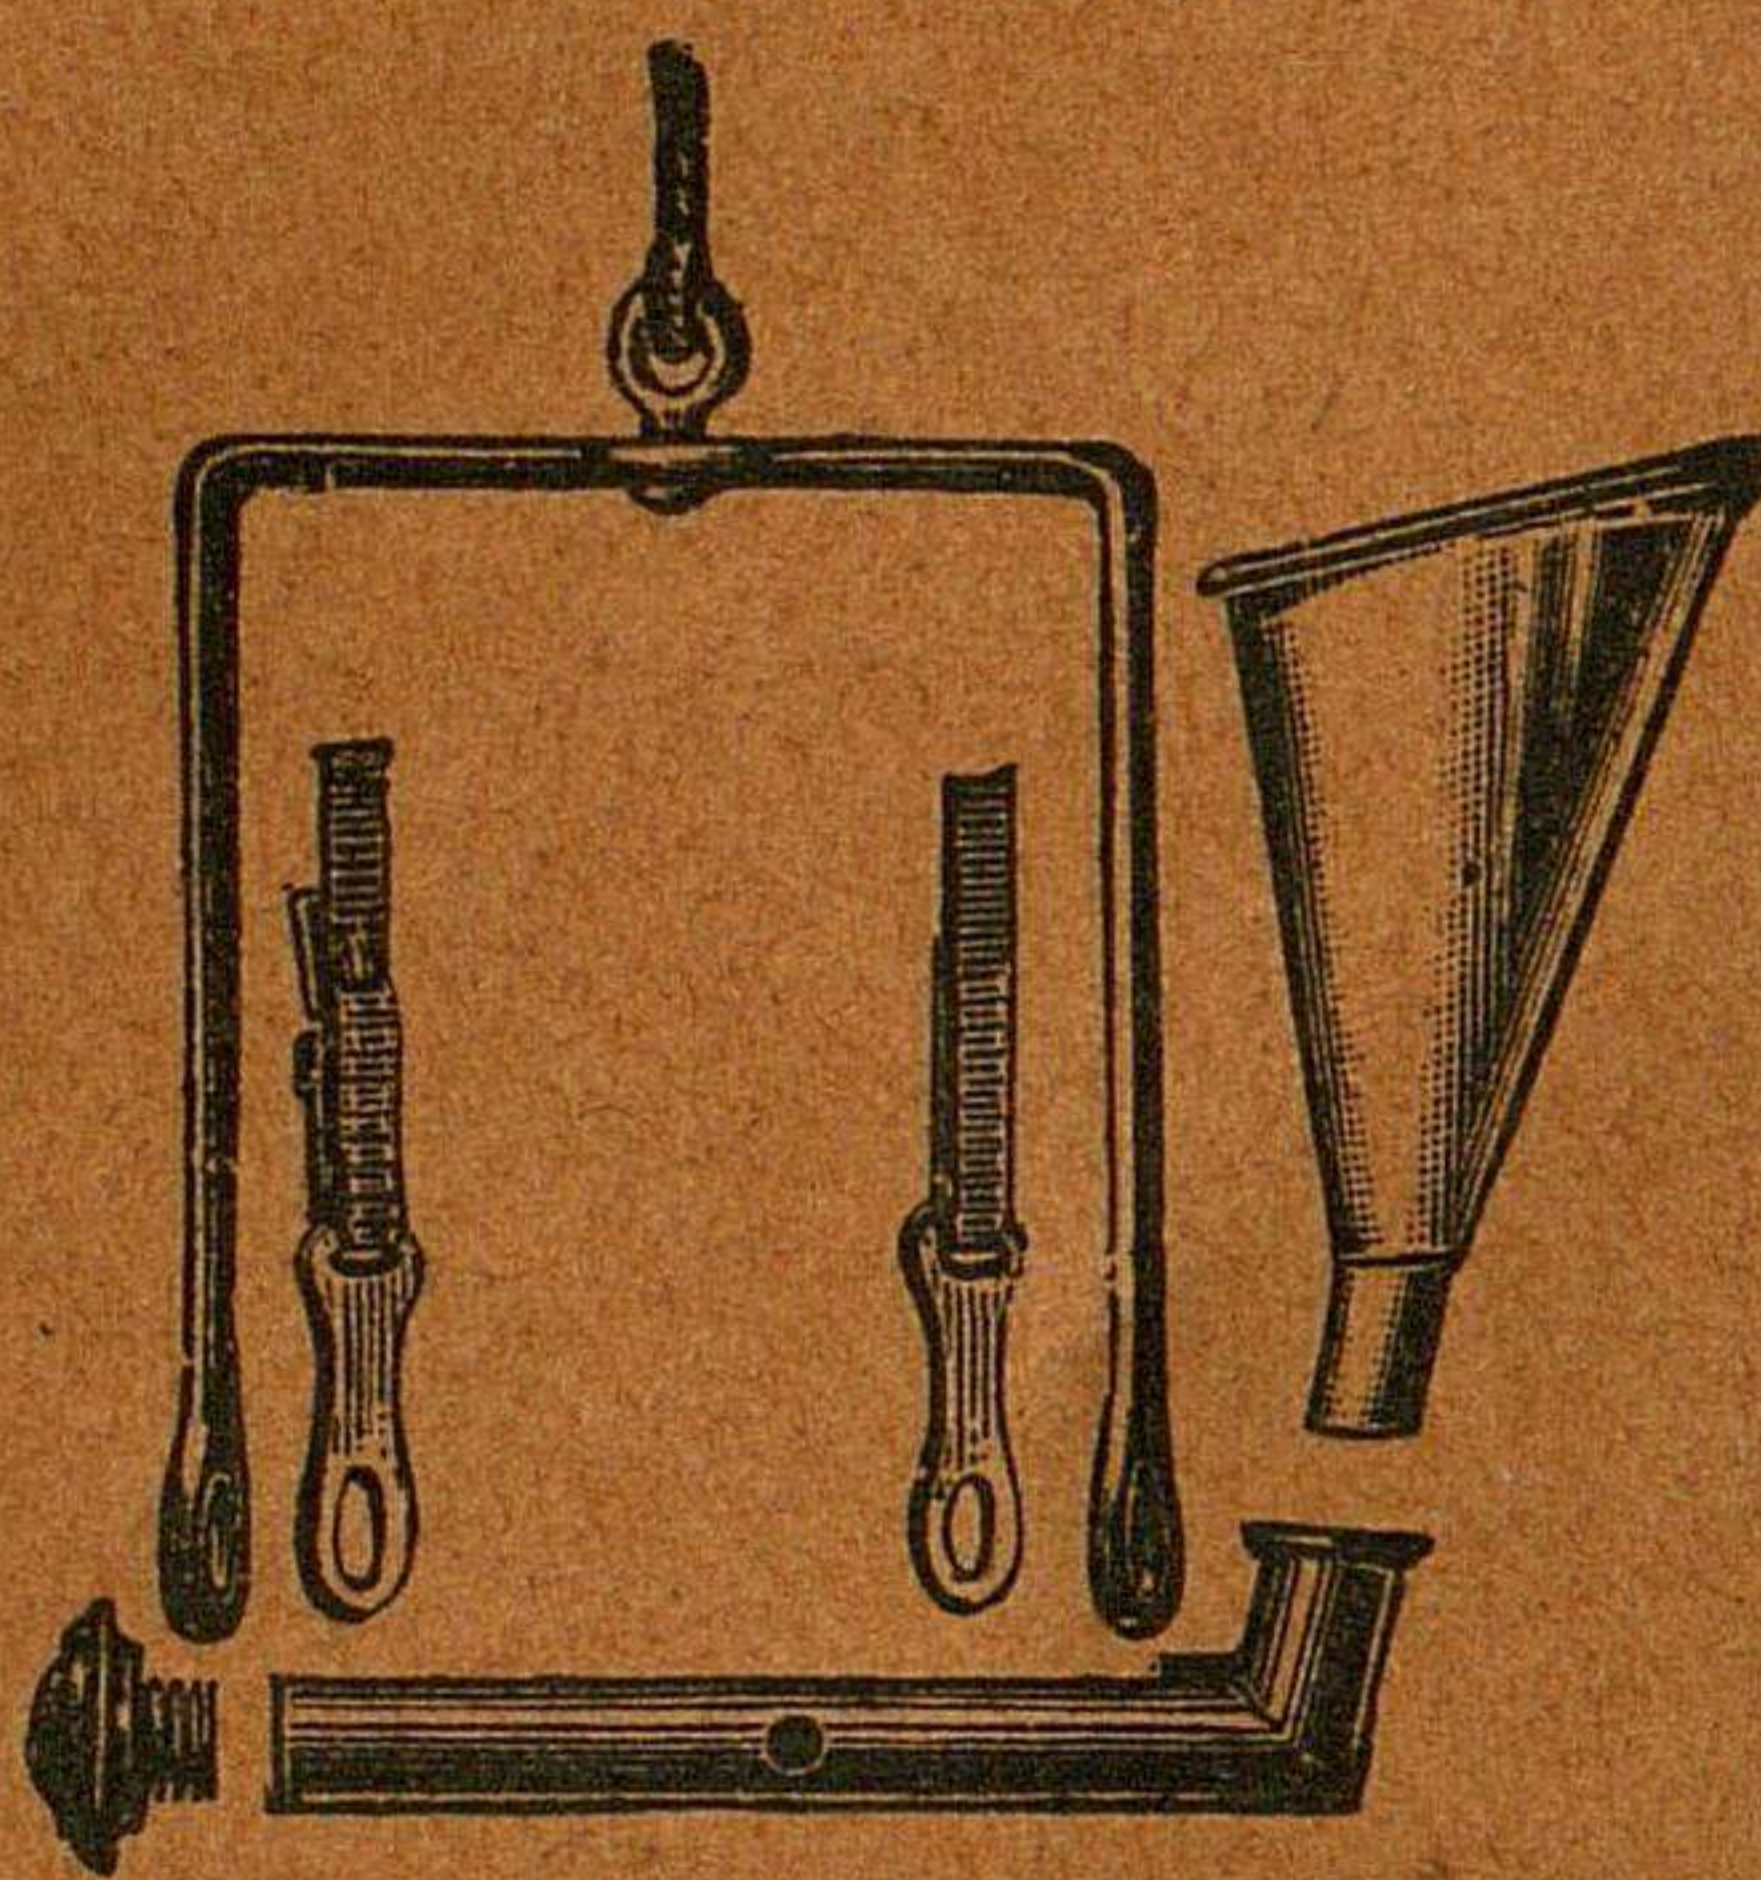

MODE D'EMPLOI

Parmi les avantages de ces inventions utiles et nécessaires nous citons les suivants :

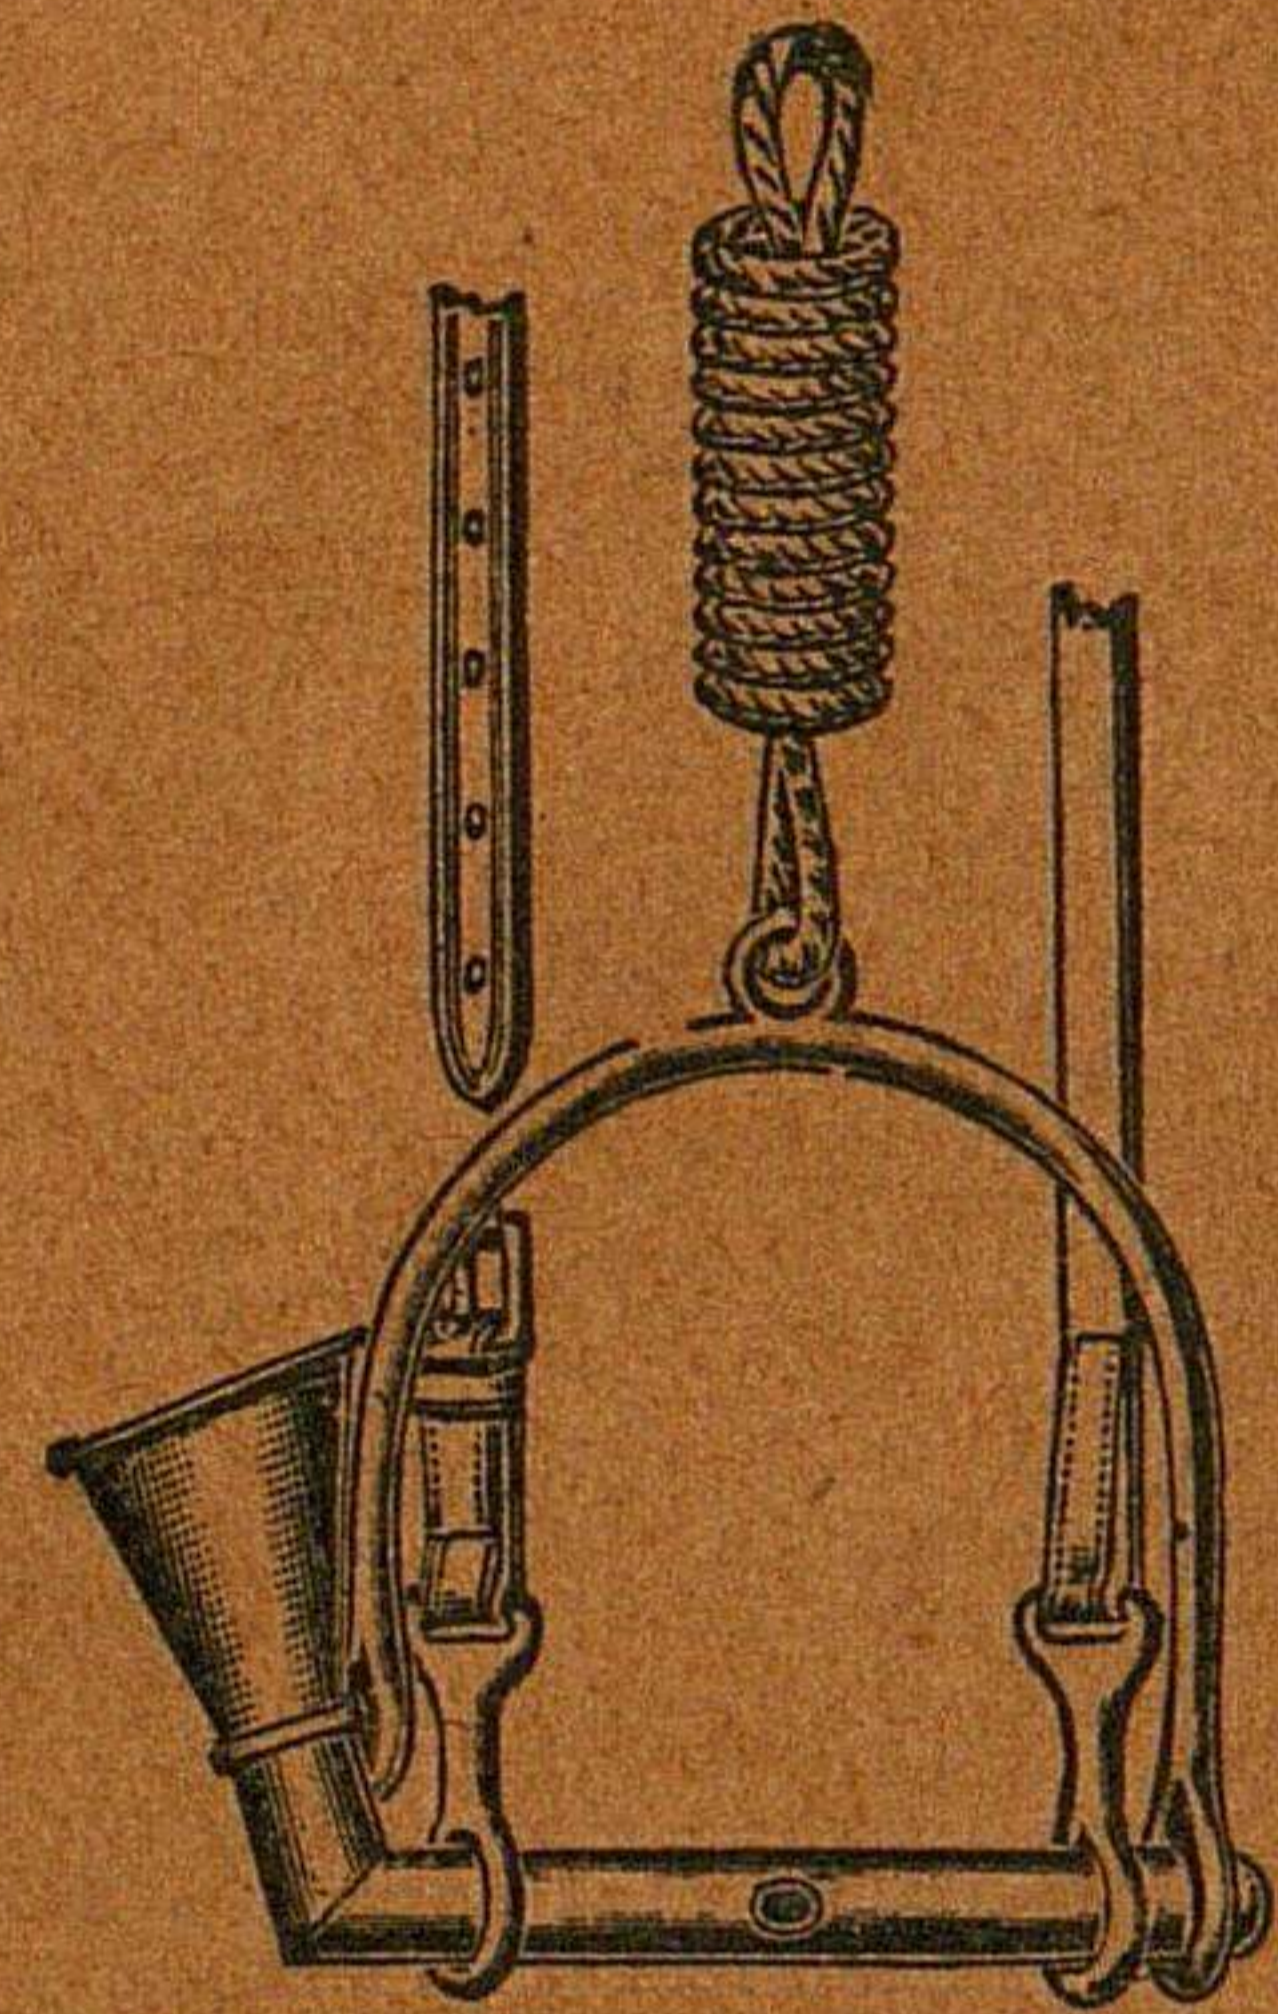

1. Pour administrer des médicaments liquides aux animaux.
2. Pour administrer lentement et régulièrement sans perte.
3. Pour administrer des stimulants avant de sortir.
4. Pour stimuler et désinfecter la gorge et les poumons.
